St. Ignatius is situated in a tiny hamlet in pastoral southern Bruce County. We offer a quiet, rural atmosphere ideal for religious retreats and spiritual formation.

The former fieldstone church was built in 1872 and will accommodate meetings of up to 300 people. It is equipped to provide religious services. A lounge on the second floor provides for small group study.

The adjoining fieldstone house was built in 1880 and provides space for small group study, family functions and overnight accommodation.

A multipurpose hall connects the house and church and is suitable for larger group functions.

The Centre provides everything you need to host up to 50 overnight guests including all linens and bedding.

Single and double beds are available. Bedrooms in the church are air conditioned. Washrooms and showers are located on every level of the facility.

Two fully equipped kitchens serve over 200 diners. Catering is available or your group can prepare their own meals.

The facility is perfect for family gatherings that have outgrown a family home.
